Enclosure to Sl:

The Secretary to the Government of
His Highness the Maharaja of
Mysore Revenue and General
Departments
Through the Officiating Comptroller
Mysore Government

Respected Sir,

I respectfully beg to state that
I have constructed a house on site No. 69
Block VIII of Basavanagudi Extension,
Owing to my poor Circumstances I am
obliged to leave it incomplete even
though I am living in it. The road to
the west of my house had not been
formed when I constructed the house.
During the last year it was at very
deep and the road level happened to
fall 3 feet below the foundation of
my house wall on the West side. Owing
to heavy rains this time some two or three

cracks have appeared in the wall referred to above and the well in the backyard has also collapsed. Hence I fear that the wall might give way unless it is strongly supported by stone revetment and the house plastered on this side. Raising loans from private agencies is not at all possible as before during the plague in the City. The house building advance drawn by me has been finally liquidated in March ult.

Therefore I most humbly request your honor to grant me under special circumstances a loan of six months' pay enabling me to complete the building. I am prepared to pay interest @ 4 p.c. p.a. on the amount I am to borrow. My present pay is Rs 351/ (Rupees three hundred and fifty one)

I beg to remain
Respected Sir
Your most obedient servant
K. Srinivasa Rao Pachar.

Sir,

In reply to your docket No. Fl. 1153 dated the 4th December 1903 forwarding for report 8 nos applications for house building advances, I have the honor to submit in original like seperate and detailed reports made by the Treasury Assistant Commissioner on the Marginally noted applications, after his personal inspection of the houses, to build which the advance has now been applied for.

The applications are herewith returned.

I have the honor to be,

Sir,

Your most obedient servant,

Sd. Ramalinga Rao Purnaiya.

For Deputy Commissioner.

(Report on the inspection of the house of K. Tirumalachar, accountant Comptroller's office, situated in site no 69 Block no VIII Basavangudi Extension.

8.3

I inspected this house on the morning of the 20th December 1903, and the District Subovenseer accompanied me to aid me in the valuation of the house and other technical matters.

From this Treasury Office records it is seen that the first advance has been fully paid up, the original advance being Rs 480/-

The valuation of the house as it stands at present is nearly Rs 1000/- according to the estimation of the Subovenseer and myself.

The original and approved plan was submitted.

The proposals of the owner with regard to the improvements of his building are plastering, revetting the well with stone, and revetting the portion of the house wall adjoining the road with stone and mortar.

His own rough estimate furnished to me amounts to Rs 400/- and the District Subovenseer thinks that the improvements could be effected at a cost of Rs 250/-.

The revetment of the well is somewhat urgent in its character. Revetment of the wall adjoining the road is necessary as there are cracks in it. As this may affect the road, Municipal sanction is required for the improvement. The necessary revetment of the well and smaller repairs of the house will, in my opinion, fully take up the advance which may be granted.

Hence an advance of at least 6 months' pay may, it is submitted, be sanctioned.
